CHALLENGES SOLUTIONS

With so many courses and colleges at DU, how do you ensure you're filling the Preference Sheet correctly?

One-on-One Guidance during CSAS portal rounds to help you make informed choices.

A major challenge in DU Admission is confusion around cutoffs, category benefits, and document verification.

Resources explaining category-wise cutoffs, reservation benefits, and all document help.

Many students feel anxious, confused, or lost due to peer pressure or lack of clarity in the admission rounds.

Motivational and Clarity-driven Sessions by DU Seniors to help you stay confident and focused.

WHY MARGDARSHAN?

Common Seat Allocation System (CSAS)

University of Delhi conducts admission to Undergraduate (UG) courses through Common Seat Allotment System (CSAS) portal. Candidates who are seeking admission to UG courses offered by DU must apply at CSAS portal to appear for the admission process. Based on the CUET scores and college and course preferences, candidates are allotted seats.

We will guide you through each of these phases clearly & strategically :

What is Personalised (1:1) Mentorship?

IN SIMPLE WAY :

1 Student = 1 Dedicated Mentor

Once enrolled, you'll be connected with a mentor who will guide you based on your chosen course and college preferences. From preference filling to seat allocation strategy—your mentor will walk with you at every step.

- ✓ Ask unlimited questions via WhatsApp
- ✓ Request call Google Meet when needed
- ✓ Discuss anything—from strategy to personal confusion or subject-specific doubts
